FOURTH ANNUAL

NATIONAL POLLED SHORTHORN CONGRESS

SHOW and SALE

June 8, 1944

COLUMBUS, OHIO

POLLED SHORTHORNS

Are More Profitable, Because . .

- ★ ... they are the most progressive breed of cattle on earth ...
- ★ ... naturally hornless cattle answer the question of how best to avoid the shrink, the cost and the horror of annual dehorning jobs . . .
- ★ . . . feedlots and pastures are safer for children, helpers and owners of farms where Polled Shorthorns are bred . . .
- * ... they are the most efficient producers of beef and milk of all breeds of cattle . . .
- * ... they are readily adaptable to any climate ...
- * ... they are gentle, thrifty and raise their calves to greater weights at any given age ...
- ★ . . . the demand for Polled Shorthorn breeding stock is increasing annually, which means a steady market at substantial prices.

AUGUSTA 43d—is being offered only as an attraction because we think she will be one of the top young cows in the sale with a calf by side. She is a richly bred Bruce Augusta, is a rich deep red, short-legged, deep bodied, good headed and has everything it takes to make a good brood cow. She is due to calve about sale date to the service of Oakwood Royal Captain x2187298, the grand young bull we are using on Oakwood Royal Robin's daughters.

Polled Shorthorn cows are gentle and thrifty, giving an abundance of milk. That's why they raise their calves to greater weights at any given age.

MERRY ROAN LADY—is without doubt the most valuable heifer of this most popular of all Roan Lady families, for she descends from imported Roan Lady 36th through her International Grand Champion daughter, Maxwalton Roan Lady. Study her picture; note her perfect color, her depth, thickness and brood cow excellence. Seldom does the public have an opportunity to buy a daughter of an International Grand Champion bull whose dam was a granddaughter of the noted Collynie Mandate, sire of Millhills Ransom. From top to bottom her pedigree represents the best in Shorthorn achievement, and she is selling mated to Oakwood Nonesuch x2063341 since December 6th, 1943. We don't know her worth, but we do know we hate to see her leave Oakwood.
